chorus (x2)

attentiiooon about face

military rifles swagg from outta space'got my mind on

my money money on my mind

same shit everyday like we on rewind

verse 1

first middle wooh da last name king

they talk about what they gone do but never didi a  
thing

bsm soldier built for interigation

mouth duck ta[ed never hold no conversation

if u get locked nigga dont snitch

case that can get ya life killed real quick

about face or you gone get your face..
