You can call me king Whoo  
Real nigger I think we were overdue just a corona ration  
I think you should crown a king  
No poppet master would have kicked the real king  
You can call me king Whoo  
Real nigger I think we were overdue just a corona ration  
I think you should crown a king  
No poppet master would have kicked the real king

5 4 3 2 1 in WUG  
Nigger what a gun  
I suggest to run  
Your life...  
All money on me  
... get up baby... on me  
Mother fuckers are gonna say  
Who's keeping G  
... I am back on my Porsche  
... you fuck with me you know it's on  
... I hope you got your nighties on

You can call me king Whoo  
Real nigger I think we were overdue just a corona ration  
I think you should crown a king  
No poppet master would have kicked the real king  
You can call me king Whoo  
Real nigger I think we were overdue just a corona ration  
I think you should crown a king  
No poppet master would have kicked the real king

No... I am my brother keeper  
Fuck... the feeling is much deeper  
Only way we getting stoned  
If we are high fucked...  
King of the jungle if your middle name is...  
Every bullet to the head

You can call me king Whoo  
Real nigger I think we were overdue just a corona ration  
I think you should crown a king  
No poppet master would have kicked the real king

You can call me king Who  
Real nigger I think we were overdue just a corona ration  
I think you should crown a king  
No poppet master would have kicked the real king
