Move on so long monopoly we on . Born in the 80s
bread thru the 90s raised by the twenty of century we
all cryin . Been thru a lot lived to see a black bread I
survived a shot then I had two kids back at it wooh da
kid crack get a crack at it ghost spitter everylines a bad
habbit but never will I change for a lil change same
nigga from the hood I could never change move on so
long no wind in me be gone no stoppin me to strong
monopoly we on move on so long no wind in me be
gone no stoppin me to strong monopoly we on . Just
popped a bean in a molly got me feelin suppa what's
up with that RN what's up with that rooster ? What's up
with your bestfriend don't be a party pooper we can all
make it happen we should just group up . I'm thuggin
like my pops in the old days old sos so I'm riden to the
oj . Old c allow got me feel okay drunk as hell off of
henecy and rose . Move on so long no wind in me be
gone no stoppin me to strong monopoly we on . So long
move on no wind in me be gone no stoppin me to
strong monopoly we on . Wooh da kid first middle last
name , my little brother had to torch so he passed the
flame no end in me hater be gone no stoppin me wooh
da king to strong . Problems come with the money and
the power everything could still go sour my life changin
time to move on adious nigga so long . Move on so
long no wind in me be gone no stoppin me to strong
monopoly we on . So long move on no wind in me be
gone no stoppin me too strong monopoly we on . Move
on x2 , so long . Monopoly , we on .
