You gotta be patient  
Momma always told me I had to be patient  
Brand new joint right here man "patient"  
You gotta be patient  
I know times hard  
And you down bad  
You just wanna rob  
But you gotta be patient  
Know your baby momma  
Keep calling your phone  
Won't leave you alone  
But you gotta be patient  
Know your little brother  
Want some new shoes  
But he's skipping school  
Man he resembles you  
I know your doing time  
25 to life  
That ain't nothing nice  
But you gotta be patient  
Single mother five kids no paps  
Momma in the kitchen cooking up straight drop  
Daddy in prison so I'm on my own  
I keep running in this shit everything is a collision  
Momma what you doing  
I'm tryna pay my bills  
Just tryna feed my kids every night we need a meal  
In 96 my paps died I was just 11  
By 15 my brother died on his way to heaven  
I was told that patience would get you far  
Who would have knew 8 years later I'd be a star  
To my family stay strong on everything you facing  
I just gotta work hard and remain patient  
I know times hard  
And you down bad  
You just wanna rob  
But you gotta be patient  
Know your baby momma  
Keep calling your phone  
Won't leave you alone  
But you gotta be patient  
Know your little brother

Want some new shoes  
But he's skipping school  
Man he resembles you  
I know your doing time  
25 to life  
That ain't nothing nice  
But you gotta be patient  
(?) He 19 with 3 kids  
His pockets sick his stomach sick man you can see his  
ribs  
Cut throat, gotta get it by the gun smoke  
This young boy is on a mission can't go broke  
Like (?) by any means for them dollar signs  
He wylin out like the kids in the columbine  
His momma sick with a virus that got her dying slow  
Red ribbon victim, washed away like soap  
Now we bugging out, plus the three kids  
Two baby mommas screaming nigga you ain't doing  
shit  
It's a lot going on from the shit he facing  
Suicide, what he did he had no patience  
I know times hard  
And you down bad  
You just wanna rob  
But you gotta be patient  
Know your baby momma  
Keep calling your phone  
Won't leave you alone  
But you gotta be patient  
Know your little brother  
Want some new shoes  
But he's skipping school  
Man he resembles you  
I know your doing time  
25 to life  
That ain't nothing nice  
But you gotta be patient
