It's the last fair deal gone down  
It's the last fair deal gone down  
It's the last fair deal gone down, good Lord  
On that Gulfport Island Road

Please, Ida Belle, don't cry  
Ida Belle, don't cry this time  
If you cry 'bout a nickel, you'll die 'bout a dime  
She won't cry, but the money won't be mine

I love the way You do  
I love the way You do  
I love the way You do, good Lord  
On this Gulfport Island Road

My captain's so mean on me  
My captain's so mean on me  
My captain's so mean on me, good Lord  
On this Gulfport Island Road

The captain ain't here at sea  
The captain ain't here at sea  
The captain is gone, ain't seen, good Lord  
On the Gulfport Island Road

Oh, it's the last fair deal gone down  
The last fair deal gone down  
The last fair deal gone down, good Lord  
On this Gulfport Island Road

I'm workin' my way back home  
I'm workin' my way back home  
I'm workin' my way back home, good Lord  
On this Gulfport Island Road

And that thing don't keep ringin' so soon, no  
That thing don't keep ringin' so soon  
That thing don't keep ringin' so soon  
Good Lord, on that Gulfport Island Road
