I've been runnin' after to you  
getting dizzy with your sutil games  
I've been runnin' after to you  
getting dizzy with your sutil games  
everybody knows that I'm a good guy  
but I'm not gonna be like that for too long

Did I ever hurt you so bad  
to deserve you dirty tricks  
Did I ever hurt you so bad  
to deserve you dirty dirty tricks  
You know that I love you

but I'm not gonna be like that for too long

I've been runnin' after to you  
getting dizzy with your sutil games  
I've been runnin' after to you  
getting dizzy with your sutil games  
everybody knows that I'm a good guy  
but I'm not gonna stay that way for too long.
