I can't fix the bad things that I did, no I can't do that.
I can't say that I'm the man you need but I really try.
Cause I still feel the same things that I felt,
When our love was always blue and here's the proff
Oooh! and here's the proof
The sweetest part of myself to you.

Yes I know is not easy to forgive all the things I've
done.
But I don't know if you still wanna be with me in this
crazy world.
Cause I still feel the same things that I felt
When our love was always blue and here's the proof

Oooh! and here's the prove,
The sweetest part of myself to you.

I can't fix the bad things that I did, no I can't look down.
I can't say that I'm the man you need but I really try.

Cause I still feel the same things that I felt,
When our love was always blue and here's the proof
Oooh! and here's the proof,
The sweetest part of myself to you.

Cause I still feel the same things that I felt
When our love was always blue and here's the proof
Oooh! and here's the proof,
The sweetest part of myself to you.

Uhh, Uhh, Uhh, Uhh, Uhh...
