Stay around don't go away,
Be my guide when there's no light
I need to feel
Your tender touch
Everytime I've gone to far
If someday I ignore your sweet embrace
And I can not see your divine grace
Forgive me, forgive me,
Ohh forgive me.

Now I see very clear

I'm not the man I used to be
All this time, after all this miles
You've been taking care of me
If someday I ignore your sweet embrace
And I can not see your divine grace
Forgive me, forgive me,
Ohh forgive me, forgive me.
