Uuuuh baby, I told you I was not for you...
Uuuuh baby, I told you I was not for you...
Well if you don't wanna cry, run away and get right.

Uuuuh baby, I told you I was not your man...
Sweet Little Darling, I told you I was not your man...
Well if you don't wanna cry, run away and get right.

Well if you stay with me, you're gonna see...
one day fine, one day freak
If you stay with me you're gonna find yourself
Tired, sad and lonely triyn' to find someone else.

Uuuuh baby, I told you I was not for you...
Uuuuh baby, I told you I was not for you...
Well if you don't wanna cry, run away and get right.

Well if you stay with me, you're gonna see...
one day fine, one day freak
If you stay with me you're gonna find yourself
Tired, sad and lonely triyn' to find someone else.

Uuuuh baby, I told you I was not for you...
Uuuuh baby, I told you I was not for you...
Well if you don't wanna cry, run away and get right.
Well if you don't wanna cry, run away and get right.
if you don't wanna cry, run away and get right
you better run...
Uhhh
Bye baby bye bye
