Do Ya by Barney Bentallo ya? Do ya? Do ya ever wonder why?

Do ya? Do ya? Do ya ever wonder why? (continue in background)

Do ya come down? Do ya ever make a sound?
Are you even ever out of the groove?
Do ya talk back? Do ya slip through the cracks?
Is there anything that moves ya?
If you wanna come, If you wanna stay, It really doesn't matter why

'Cause I don't wanna go where I wanna go,
when I wanna go. Wanna come with me?
'Cause I don't wanna do what I wanna do when I wanna do it to ya. Wanna
Do it to ya!

Do ya? Do ya? Do ya ever wonder why? (continue in background)

Do ya think twice? Do ya have advice?
Have you ever wondered what it's like to cheat?
Let's take a spin to this god almighty den,
to a place where we can be discreet.
Grab the reigns. Whisper my name. Suckin' on a sugar cube.

'Cause I don't wanna go where I wanna go,
when I wanna go. Wanna come with me?
'Cause I don't wanna do what I wanna do when I wanna do it to ya. Wanna
Do it to ya!

Do ya? Do ya? Do ya?
Do ya? Do ya? Do ya?

Come a little closer. You can take my hands. Put em anywhere you want.
Do ya feel better? Do ya feel alright?
Won't you come and help me through this lonely night?

Do ya?
Do ya?
Do ya?
Do ya?

'Cause I don't wanna go where I wanna go,
when I wanna go. Wanna come with me?
'Cause I don't wanna do what I wanna do when I wanna
do it to ya. Wanna
Do it to ya!

'Cause I don't wanna go where I wanna go,
when I wanna go. Wanna come with me?
'Cause I don't wanna do what I wanna do when I wanna
do it to ya. Wanna
Do it to ya!

Do ya? (slowing)
Do ya?
Do ya?
Do ya ever wonder why?
