A sigh for you rides the wind  
A cry for you rides the wind  
Seeking a world of ten thousand years  
A thousand tears I cry

A sigh for you sails the sea  
A cry for you sails the sea  
Ghost ships that glide on the haunted deep  
In passion's sleep I

Drown in the tears of my brokenness  
Then my love walks on the sea  
Of my sorrow

A sigh for you breaks my heart  
A cry for you breaks my heart  
Heaven to heal every misery  
Each memory - I'm

Lost in a maze of my fallenness  
'Til my love's slain on a tree  
Casting my shadow

A sigh for you rides the wind  
A cry for you rides the wind  
Seeking a world of ten thousand years  
A thousand tears I cry (I would die for you)

A sigh for you  
A sigh for you  
A sigh for you rides the wind
