1: Well, tell me please how love can be  
With a kick / snare giving you a fantasy  
(Ain't no future far as I can see)

If I could dance, I might agree  
I said

2: Dance... stop  
Dance... stop  
I can't stop, dance stop, can't stop, dance stop  
STOP!

(Aaaaaaaahhhhhh... DANCE! )  
3: Can't stop baby (DANCE STOP)  
Don't mean maybe (DANCE STOP)  
Can't stop baby (DANCE STOP)  
Don't mean maybe  
DANCE STOP! DANCE DROP! DANCE ROCK!  
CAN'T STOP! WOOOOOOOOO!  
Contortionists are caught up in the cameras eye  
The music explodes and the bodies fly  
They're rating it a ten before they drop and die  
"IT HAD A GOOD BEAT!" was their very last cry

Repeat 2

(Brrrrriiiiiidge! )

Rock n' rollin' feels better than bowling  
Bowling' feels better when the ball is rollin'  
Bombs explodin' get the blood to flowin'  
So bowl me over cos' my fear is growing'

Repeat 1, 2, 3 and 2

(Mmmmmmmmm DANCE! ) 3

STOP!
