[Alfie]

I see his face.  
I hear his heartbeat.  
I look in those eyes.  
How wise they seem.  
Well, when he is old enough  
I will show him America  
And he will ride  
On the wheels of a dream.

We'll go down South

And see your people

Won't they take to him

Like cats to cream!

Then we'll travel on from there.

California or who knows where!

And we will ride  
On the wheels of a dream.

Yes, the wheels are turning for us, girl.  
And the times are starting to roll.  
Any man can get where he wants to  
If he's got some fire in his soul.  
We'll see justice, Sarah,  
And plenty of men  
Who will stand up  
And give us our due.  
Oh, Sarah, it's more that promises.  
Sarah, it must be true.  
A country that let's a man like me  
Own a car, raise a child, build a life with you...  
With you...

Beyond that road,  
Beyond this lifetime  
That care full of hope

Will always gleam!  
With the promise of happiness  
And the freedom he'll live to know.  
He'll travel with head held high,  
Just as far as his heart can go  
And he will ride-  
Our son will ride-  
On the wheels of a dream.
