Wake up my soul and tired eyes
It's time to go and realize
Today is all we have
Only pack the things you need
Leave your fears and bring your dreams
Today is all we have

Hold me closer still
Girl you know I will

So let's run
To chase the night away
Come on love
It's time for our escape
No lookin' back to yesterdays
Let's run

I see the line on the horizon
Is that the place our hope's residing
Yeah I will help you believe
What if we lose our direction
And find ourselves second guessing
Yeah, I will help you believe

Hold me closer still
Girl you know I will

So let's run
To chase the night away
Come on love
It's time for our escape
No lookin' back to yesterdays
Let's run

Don't stop now
We'll make it out
If we run

So let's run
To chase the night away
Come on love
It's time for our escape

No lookin' back to yesterdays
Let's run
