Out the window
Look what's happening
In my prism watching day by
(Day by day)

In my humor
Kiss and make up friend
Out the window
Oh look what's happening

Give my time away
Give me all the time I pay
Kiss my cross away
I break down doors my candle whistles

Hello, hello, hope you're feeling fine
Hello, hello, hope you're feeling mine
Hello, hello, hope you're feeling fine
Hope you're feeling time

Out the window
Bring me back my rose I gave away
In a picture
A freckle and a famous feature

She's not smiling

Give my time away
Give me all the love you need
I want to watch you bloom and breathe
Kiss my mouth I hear you whistle

Hello, hello, hope you're feeling fine
Hello, hello, hope you're feeling mine
Hello, hello, hope you're feeling fine
Hope you're feeling time

Whistle down the wind
(Whistle softly)
Whistle down the wind
(Whistle softly)
Kiss and be my friend

(Whistle softly)
Whistle down the wind
