VERSE 1

Our Grandmother told us
To always pray
She instilled it in me
At my early days
So now that I'm a grown man
I was led astray
Real believers know
We ought to always pray

CHORUS

Make my request known
Thru prayer and thanksgiving
Highly favored, blessed to be living
I humbly bow, cause I need a touch
The prayers of the righteous
Availeth much

At 97 she's blessin me
