VERSE

I've been waiting
Patiently
For the blessings You promised me.
In my waiting
I matured.
Expecting blessings and all of my needs.
Said I'm gonna wait right here
'Til You come.
And I know You're coming through.
You're not a man that you would lie.
You will do ev'rything You said You'd do.

CHORUS

I'm holding on,
I've been set free.
You have designed something specifically for me
Made up my mind
No turning beck
Concering Your promise
The Word says Your're not slack
I'm waiting patiently
For the blessing You promised me
No one nowhere nobody can shake me
I'm convinced that You'll come through for me

VERSE

The highest order of dicipline
Comes when you learn to wait
In my waiting, I got a little weary
Satan tried to shake my faith
But then You came in,
Changed it around
Took away all guilt and shame
And now I stand tall with a testimony
For by grace through faith we are saved.

CHORUS

Took away the guilt
And all the shame
My blessings come for I have access in Your name

Desires and needs
He shall supply
My God is not a man that He should ever lie.
I'm waiting patiently
for the blessing You promised me
No one, nowhere, nobody can shake me
I'm convinced that You'll come through for me

VAMP
Right here,
I'll be waiting
For my blessing
I'll be waiting right here(2x's)
For my blessing(4x's)

(adlib lead) I won't get tired, I won't get weary, I'll keep
my faith, I'll draw You
near me.

VERSE
Listen
So many move before they get their blessing
That's why I'm taking time
I am confessing
It's just a test
YOU ALREADY WIN!
Just like He brought you out very last time
He'll do it again
Oh you must stay strong in the Lord, yeah
And in the power of His might
Stay right there in the middle of His Will
For I know His Will will never deny
I'm waiting patiently
For the blessings You promised me
No one, nowhere, nobody can shake me
I'm convinced that You'll come through for me.
