RIGHT NOW PRAISE

chorus

It's in order that I praise you until you come

I was made to honor thee

Your word says I can have that that I believe

By faith be it unto me

Faith is the substance I believe

Someway, somewhere, somehow

It is mine

Right now

I've got a right now praise (2x

Faith is the substance I believe

Some way some where some how

It is mine

Right now

(repeat chorus)

Right now I believe it (4x's)

Right now (repeat)

Faith is the substance I believe

Some way some where some how

It is mine (repeat)

Right now
