You want to know  
Then I'll try  
To tell you how it is  
There  
Isn't ever much  
Cracking the coconut hoping to get me to open wide  
Now  
If you want to know  
Then all you have to do is ask me  
I don't have a thing to hide  
I walk in the office of my orthodontist and without a  
warning  
My jawbone is already pried  
And honestly, I've never lied  
Second to none  
If I pucker my lips and I lickem I'm looking to kick an  
impeccable pun  
I don't kick it like Beckham  
I kick it like Beckham a decade ago when I run my  
mouth  
You think I'm a megalomaniac  
A loud?  
I'll be begging to differ  
Try sticking a flute or a piccolo  
Up a particular part of your pecker  
But I'll let you pick it though  
I'm out  
I'll chuck up a deuce- a bigalow  
And be cracking a Michelob  
And I give a toast  
And I trickle a bit in the gutter for all of my bigger bros  
And I walk it out  
Now  
If you want to know  
Then all you have to do is ask me  
Not a thing to hide  
I'm trying to be totally open like all the time  
Now  
If you want to know  
Now  
Then all you have to do is ask me

Not a thing to hide  
Now  
Not one damn thing  
Now  
Not one damn thing  
And I'm glad I got all of these ears around  
Me  
Not one damn thing  
And I'm glad I got all of these ears around
