VERSE 1

I know its cold, yeah!
Cause my heart is just like yours

A black hole in the sky, yeah!
That peels back and shadows over...

Over top above everybody

CHORUS

Take, take it slow
My brain is in overload, yeah
Take, take it slow
I'm afraid I'll explode....

VERSE 2

There is a storm, yeah!
Deep inside of everyone

Its just a matter of time, yeah
Before its triggered and you're the one..

On the edge swinging fists instead

CHORUS

Take, take it slow
My brain is in overload, yeah
Take, take it slow
I'm afraid I'll explode....

BRIDGE

Take, take it slow
Take, take it slow
Take, take it slow
Take, take it SLOW.....

SOLO

CHORUS

Take, take it slow
My brain is in overload, yeah
Take, take it slow

I'm afraid I'll explode....
