(verse 1)

Whoever  
woulda thought  
that the little mother fucker from the land  
woulda' came up and made them stacks  
Never was warm in the city  
so I had to get on the record and come blaze these  
tracks  
And I'm all around haters everyday  
but i guess thats just what fame attracts  
but fuck that where the bucks at  
man I need my green in a box  
like apple jacks  
matter fact  
see me in a ride so foreign you can't understand  
six feet hittin six G's  
here with the 3 so come catch me if you can  
speakin ebonics  
give a fuck what Mr. Webster said  
Let a smart girl read my dick-tionary  
I call that Ms. Webster head  
man I gotta get it  
when Im gonna get it  
how i gotta get it  
and whenever i do i get that  
Every moment I want it  
cuz every day I be grindin  
So when you wanna make a move  
I get that  
Chip off the block  
My story in the booth takin off the lock  
And put the shit back on when I'm on the top  
So i got the game cuffed up like the cops  
But i dont fuck with them

but the eastside yeah i got love for them  
Anybody wanna hate on me  
then get on my level  
but you will never ever so i got scrubs for them  
yeah and im from the city where all the good die young  
and the old dont make it  
so we just hang in  
in the middle ground  
ready for whatever boy dont mistake it  
bitch I'm from Cleveland

Cuz we rylin mother fuckers EST is the game  
Bitch

(DJ)  
MGK you killin em right now  
You Killin em

Get with it or get lost  
MGK you ready to go in?

(verse 2)  
Whoever woulda guessed that the little white boy  
from the midwest woulda done fuckin numbers  
Everybody used to talk down  
Now the whole world wanna be-fucking-come us  
We the new team EST  
Line full of hos out for the VIP  
Everybody know Im number 23  
When im in the court ballin MVP biatch  
Let me take a little sip of the vitamin water  
and a little bit of the kushie and Im good  
Chillin up in the clouds  
wanna fuck my day up man I wish you would  
Bitch I'm the man  
No longer the kid  
Must be the reason why all these grown folks on my  
dick  
Get off my ballsack  
Yall makin my drawers sag  
Call sax  
walk up in that bitch like gimme all dat  
I never had nothin  
So what else do you think a little kid with a dream gon'  
do  
Ball without a budget like fuck it the middle finger crew  
Real people love me  
the jealous try and degrade my name  
yall must have lost your fuckin melons

(DJ)

Are you serious

MGK twist it up for 'em

(verse 3)

They shoulda never let me into the building with a  
stereo

a pen and pad i do damage

cant nobody ever do it like i do it

since i been young i been goin hard I'm the baddest

Everybody from around the world and in my past

call me my city savior

But the people in the class wanna put me in the hall
