Beverly kills the freaks with her  
Golden arrow  
Beverly kills the freaks  
Oh!

Never heard about Beverly's freaks, yeah  
Think twice before you meet 'em  
Made up of the finest comedians  
Ya can't stop no incest from spoiling

Sorry I'm not sorry for your  
Dismal waste  
Can't stop the press!  
No!

Beverly kills the freaks with her poison arrow

Beverly kills the freaks  
Oh!

The houses' prices don't go down  
Yet all around  
I see them underground  
I know a guy used to ball in the league, yeah  
He's dancing in the street

Sorry I'm not sorry for your  
Dismal waste  
Can't stop the press!  
I can't break the headline  
I can't stop the press!  
Don't wanna  
Stop the  
Mess
