Yep [x24]

Ayo I was on the plane wit the dewayne.
You can call me whitley I go to hillmane.
Listen, I'm the baddest in the school, the baddest in the
game.
Excuse me honey but nobody's in my lane.

When you was in New York, you was fuckin' a yankee.
I was fuckin' wit base I was pitchin' to franky.
These *** so cranky, give them a hanky.
But mommy I'm cold gimme my blanky

Yep [x24]

Flyer then a kite I get higher then Rapunzel.
Keep the snow white I could buy it by the bundle.
Step your cookies up for they crumble.
Don't be actin' like the cardinals and gone fumble
(fumble).

'Cause ima steeler
Fresh up out da dealer
All the dope boys gon feel her.
Flow so sick I need a healer
***, is my mac concealer.
I be out in queens on the back of 4 whee-whee-whee-
whee-whee-wheelers
ima big bill.
That's why I get more head than a pig tale.
Puts some ranch I'm gettin' the munchies.
I think I have a rap *** from a entree'

Cause they be thinkin they can spit spit shine my shoes.
You know I keep a bad *** let me sign your boobs.
I'm the only thing hoppin' like a kangaroo.
I mean the only thing poppin' like a can of brew.

Listen u should buy a sixteen 'cause I write it good.
That eight o eight woof woof 'cause I write it good.
And *** can't find their man 'cause I ride it good.

I'm the wolf, where is little red- uh riding hood

If u see a itty bitty piggy in a market.
Give that *** a quarter and a car tell her park it.
I don't *** wit pigs like Asa lama lakem, I put em in a
field.
I let Oscar Myer bake em. (2x)

[Nicki talking]

It's like I just single handedly annihilated.
You know every rap *** in the building.
Like like I'm nicki minaj, nicki lewinski, nicki the ninja,
Nicki the boss, Nicki da HaraJuku Barbie
Like I mean I don't even know why you girls bother at
this point.
Like give up, it's me, I win you lose.
Hahahahahahaha o *** hahaha yo.
Ima bad ***, ima ima bad *** [x4]
Hahahahahahaha
I told you, I told you before,
I told you yall gone have to pick my fruit out
Now listen, in addition to pickin my fruit out
I want yall to start goin to the boutiques
No what I'm sayin, get some get some crazy s** for me
I want you know leopard skin and you know I want I
want all that crazy lizard skin s**, you know make sure
you could be my personal shopper

Hahahahahahahahahahahahaha
A yo

Yep [x4]
