Te Amo. Te Amo. My babe, never let me go Te Amo. Te
Amo Te Amo
Te Amo
It's been so long we've had this love It's got set from up
above So,
we gotta keep the ashes burning
I know the life of who's still learning Young and free
Willing and
able
I'll do all for you, my angel
I back up the tears
Do everything new
All I got to say to you
Chorus:
Te Amo. Oh, babe, I love you so
Te Amo. Never let me go
Never let me. Never leave. Never let me go Never let
me. Never leave.
Never let me go
As time goes on, our love was stronger Some feelings
for you, I own
the wonder Are they real or am I dreaming?
Forget the past. This is the real thing Suddenly, I see
I'm never
unstable
But I'll do all for you, my angel
I back up the tears
Do everything new
All I got to say to you
(Repeat Chorus)
Young and free
Willing and able
I'll do all for you, my angel
I back up the tears
Do everything new
All I got to say to you
(Repeat Chorus)
HEAVEN IS A PLACE ON EARTH
Oooh baby, do you know what that's worth? Oooh
HEAVEN IS A PLACE ON
EARTH
They say in heaven love comes first

We'll make heaven a place on earth
Ooh, HEAVEN IS A PLACE ON EARTH
When the night falls down I wait for you And you come
around And the
world's alive
With the sound of kids on the street outside When you
walk into the
room
You pull me close and we start to move And we're
spinning with the
stars above And you lift me up in a wave of love...
Ooh baby, do you know what that's worth? Ooh
HEAVEN IS A PLACE ON
EARTH
They say in heaven love comes first
We'll make heaven a place on earth
Ooh, HEAVEN IS A PLACE ON EARTH
When I fell alone
I reach for you and you bring me home When I'm lost at
sea I hear your
voice and it carries me
In this world we are just beginning
To understand the miracle of living
Baby I was afraid before
but I'm not afraid anymore...
Ooh baby, do you know what that's worth? Ooh
HEAVEN IS A PLACE ON
EARTH
They say in heaven love comes first
We'll make heaven a place on earth
Ooh, HEAVEN IS A PLACE ON EARTH
