Turn around,  
Every now and then I get a little bit lonely and you're  
never coming 'round  
Turn around,  
Every now and then I get a little bit tired of listening to  
the sound of my tears  
Turn around,  
Every now and then I get a little bit nervous that the  
best of all the years have gone by  
Turn around,  
Every now and then I get a little bit terrified and then I  
see the look in your eyes.  
Turn around, bright eyes, every now and then I fall  
apart  
Turn around, bright eyes, every now and then I fall  
apart

Turn around,  
Every now and then I get a little bit restless and I dream  
of something wild  
Turn around,  
Every now and then I get a little bit helpless and I'm  
lying like a child in your arms  
Turn around,  
Every now and then I get a little bit angry and I know  
I've got to get out and cry  
Turn around,  
Every now and then I get a little bit terrified but then I  
see the look in you eyes  
Turn around bright eyes, every now and then I fall  
apart  
Turn around bright eyes, every now and then I fall  
apart

And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
Cause we'll never be wrong  
Together we can take it to the end of the line

Your love is like a shadow on me all of the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight

Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart

Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

Turn around bright eyes, Turn around bright eyes  
Turn around,  
Every now and then I know you'll never be the boy you  
always wanted to be  
Turn around,  
Every now and then I know you'll always be the only boy  
who wanted me the way that I am  
Turn around,  
Every now and then I know there's no one in the  
universe as magical and wonderful as you  
Turn around,  
Every now and then I know there's nothing any better,  
there's nothing I just wouldn't do

Turn around bright eyes, every now and then I fall  
apart  
Turn around bright eyes, every now and then I fall  
apart

And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
Cause we'll never be wrong together  
We can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight

Once upon a time I was falling in love

But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart  
Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart
