I'm such a mess
I don't think I'll make it alive
I'm feeling blessed that, there's not a knife in my sight
Out open windows I'll fly

I once broke bread with, the ghosts inside of my mind
but now instead I, drink with the spirits sometimes
I said I'm fine but I lied

Help Me Out!
Mama, I think I might break down!
Oh ya know that everybody says I'm a Maniac
Help Me Out!

I'm like ooh, ooh, oh oh ooh
Everybody says I'm a maniac!
MA-NI-AC!
Whatever happened, to all the friends on my street
I'm sick of askin, what's going on in your life
When did this river run dry?

I'm gettin desperate
I'm feeling lonely and dumb
I think I'm destined to spill my blood while I'm young

Mama, what have i become?

Help Me Out!
Mama, I think I might break down!
Oh ya know that everybody says I'm a Maniac
Help Me Out!

I'm like ooh, ooh, oh oh ooh
Everybody says I'm a maniac!
MA-NI-Ac!

dance break

Help Me Out!
Mama, I think I might break down!
Oh ya know that everybody says I'm a Maniac
Help Me Out!

I'm like ooh, ooh, oh oh ooh
Everybody says I'm a maniac!
MA-NI-Ac!
