Well, here we are again...
Throwing punchlines, no one wins.
As the morning sun begins to rise, we're fading fast
And we won't work this out.

No, we're not gonna work this out tonight.
No, we're not gonna make this right.
So I'll give a kiss and say goodbye.
'Cause we're not gonna work this out
Tonight.

Every single word's been said...
Broke each other's hearts again.
As the starlit sky begins to shine, we're breakin' down;
She screams out!

No, we're not gonna work this out tonight.
No, we're not gonna make this right.
So I'll give a kiss and say goodbye.
'Cause we're not gonna work this out
Tonight.

We don't have to fight
Tonight.
We just gotta try...
We don't have to fight
Tonight.
We just gotta try...
Tonight!

So I'll give a kiss and say goodbye.
'Cause we're not gonna work this out
Tonight.

Well, there's no need to fight, we're just wastin' time.
If you give it a try well then maybe you'll find...
We might work this...
We know we're in love so let's keep it alive
Tonight.
I'm starting to see the morning light...
And we finally worked this out.
Tonight!

Yeah, yeah.
