There's something here between us
Something that I can't resist
A physical attraction
I feel it every time we kiss
Oh, you've got me so excited
But still it's not enough
I'm gonna try to fight it
Til I know if this is love

Turn it up
Got to turn it up
(Oooo oooo)
Well I got to hear
You loud and clear
So turn it up
(Turn it up)

You're playing my emotions
While keeping yours under control
You're scheming your desires
When you should be letting them unfold
Oh, there ain't no doubt about it
This has got to stop
I wanna shout about it
Let me know if this is love

Turn it up
Got to turn it up
I got to hear
You loud and clear
So turn it up
Oh baby

If this is love
Turn it up
Got to turn it up
(Oooo oooo)
Well I got to feel
If this is real
So turn it up
Turn it up

(Turn it up)

(Come on baby)
Come on baby turn it up
(Yeah, uh huh)
Come on baby turn it up

If this is love
(Turn it up)
Turn it up
I got to hear
You loud and clear
So turn it up
Turn it up
Oh baby
If this is love
Turn it up
Got to turn it up
(Oooo oooo)
Well I got to feel
If this is real
So turn it up
(Turn it up)

(You got to)
Turn it up
(You got to show me)
Turn it up
(How you feel)
Turn it up
