Can't be more obvious  
She's in pain  
Wont even let me in  
From the rain

All the windows are locked again  
She's afraid  
Of everything that I have to say  
To her face.

So try to look in my eyes  
And tell me you're not surprised  
Cause nothing is changing  
Everyone has to lie sometimes  
Do you know what it's like to make up your mind  
Tell me you'll always stay the same  
While the world is spinning

It can't be more obvious  
I'm in pain  
She won't even let me in  
From the rain

And all the pictures in the frames are cracked  
Cause she's afraid  
Of everything they're gonna say  
Behind her back

So try to look in my eyes  
And tell me you're not surprised

Cause nothing is changing  
Everyone has to lie sometimes  
Do you know what it's like to make up your mind  
Tell me you'll always stay the same  
While the world is spinning

So try to look in my eyes  
And tell me you're not surprised  
Cause nothing is changing  
Everyone has to lie sometimes  
Do you know what it's like to make up your mind

Tell me you'll always stay the same  
While the world is spinning

So look in my eyes  
And tell me you're not surprised  
Cause nothing is changing  
Everyone has to lie sometimes  
Do you know what it's like to make up your mind  
Tell me you'll always stay the same

Don't be alone when winners win  
While the world is spinning
