I want someone to love me  
For who I am  
I want someone to need me  
Is that so bad  
I wanna break our madness  
But it's all I have  
I want someone to love me  
For who I am

Nothin makes sense  
Nothin makes sense anymore  
Nothin is right  
Nothin is right when youre gone  
Loosin my breath  
Loosin my right to be wrong  
I'm frightend to death  
I'm frightend that I wont be strong

I want someone to love me  
For who I am  
I want someone to need me  
Is that so bad  
I wanna break our madness  
But it's all I have  
I want someone to love me  
For who I am  
I'm shakin it off  
I'm shaking off all of the pain  
You're breakin my heart  
You're breakin my heart once again

I want someone to love me  
For who I am  
I want someone to need me  
Is that so bad  
I wanna break all the madness  
But it's all I have  
I want someone to love me  
For who I am

Will you love me?  
For who I am?

I want someone to love me  
For who I am  
I want someone to need me  
Is that so bad  
I wanna break all the madness  
But it's all I have  
I want someone to love me  
For who I am

Yeah!  
Who I Am!
