Going in here to a new grade. I'm gonna meet many
new friends unexplainable things will happen to you.
I'm gonna learn many new things about boys, friends,
crushes, sports and such more.

We can do anything and if we try then all we gotta do is
say to ourselves and that goes

We can, we can do anything if we just believe and know
that nothings stopping us. We just believe and know
that change, we can, we can do anything when our
hearts are set and our minds are ready to go. Yes we
can! We do anything when we try it,
Theres many things around this world that we think
aren't even possible
Yes We Can!

We can wait to see the day, when all our dreams are
comin' true
Well their not flashin by to fast, their not flashing by to
fast cause
we know it

We can, we can do anything when our hearts are set
and we know that nothings stopping us. Yes we can, we
can do anything when we just believe and our minds
are ready to go. Yes we can! Yes we can, we can, we
can, we can!

No matter what goes on well our hearts are gonna be
set, our dreams are gonna happen and all we gotta do
is believe that we, oh know

We can, we can do anything weather its fill our dreams
or write new songs. Yes we can, we can do anything all
you gotta do is reach for your dreams well and know
that and.

We can, we can do anything weather its in our hearts or
in the world and, we can, we can do anything weather
its up on stage or in the crowd and,

We can, we do anything! We can, we can do anything!
We can, we can do anything!

We can, we can do anything that our hearts, our minds,
our souls are all chalalenged too and, we can, we can
do anything when we just believe and know that God is
on our side oh yeah we can change

We can change

No matter what changes oh yeah

WE CAN!
