And the wheels go round
And round, and round

If you got a sweet tooth
You can taste my watermelons
If the swingset bores you
I can show you all my talents
I can wear a tan like other bitches can't
You can have all this boy
And there's only one thing that I want from you

C'mon let me ride your bicycle
It's so fantastical on your bicycle
We can get a little more physical
Baby after all, it's only natural
I feel it coming, coming, coming, oh
I feel it running, running, running, oh
C'mon let me ride your bicycle
It's so fantastical on your bicycle, woah

You want to ride my bicycle
You want to ride my bike

If the world starts freezing
I can make it hot and humid
If you get a bee sting
I can suck out all the poison
I can make you last
Like other bitches can't
Have I made it clear boy?
There's only one thing that I want from you, hey!

C'mon let me ride your bicycle
It's so fantastical on your bicycle
We can get a little more physical
Baby after all, it's only natural
I feel it coming, coming, coming, oh
I feel it running, running, running, oh
C'mon let me ride your bicycle
It's so fantastical on your bicycle, woah

I'm only fucking with you
Fuck you for thinking it's true
I'm not like the sluts in this town
They make me bleh in my mouth

I wanna ride on your bike
Cause you're the boy that I like
It's like I'm a sell out for you
But your bike's so shiny and new

She's distracted by my reflectors
Man I can tell this chick's attracted
My wheels spoke to her
My schwinn is a chick magnet
Bagging up chicks like a bag of chips
With a bag of prophylactics as big as mick jagger lips
Shagging's something I'm a pro at
But I ain't practicing shit, Allen
Iverson of safe sex, condoms are for practice, man I skip practice
Flip backwards when I flip this bike on its banana seat
My fantasy's to have you land where the kick stand is
Got this bÄtch gagging they call me the broad killer
I'm the cousin of godzilla
Cause I spit fire and my dick's dragging
Zig zagging up the avenue
Pulling these chicks in my antagonist wagon screaming

C'mon let me ride your bicycle
It's so fantastical on your bicycle
We can get a little more physical
Baby after all, it's only natural
I feel it coming, coming, coming, oh
I feel it running, running, running, oh
C'mon let me ride your bicycle
It's so fantastical on your bicycle, woah

You want to ride my bicycle
You want to ride my bike
You want to ride my bicycle
You want to ride my bike
