Someone's gonna get hurt,
Na na na na, na na na na na
Someone's gonna get hurt,
Na na na na, and it's not gonna be me.

...I drove your truck in the lake last night,
Hope she was worth it,
Dont worry, i...

You keep throwing punches but you won't win this fight,
You're just f**king yourself when you don't read the
signs.
I'm going to the kitchen, coming back with a knife,
'Cause i've had enough this time!

This is your Final Warning,
There's a Dark Cloud overhead,
This is your Final Warning,
Still remember what i said,
Someone's gonna get hurt,
Na na na na, na na na na na

Someone's gonna get hurt,
Na na na na, and it's not gonna be me.

Good afternoon, dear.
How does the rope feel around your neck?
Just one more error,
Can be a fatal mistake.

You keep throwing punches but you won't win this fight,
You're just f**king yourself when you don't read the
signs.
I'm going to the kitchen, coming back with a knife,
'Cause i've had enough this time!

This is your Final Warning,
There's a Dark Cloud overhead,
This is your Final Warning,
Still remember what i said,
Someone's gonna get hurt,
Na na na na, na na na na na

Someone's gonna get hurt,
Na na na na, and it's not gonna be me.
