From the "The Host. Choose To Listen." Movie (2013) soundtrack

(Verse)

Every day is one more inch of a slow play, sinking in.
Vision fading, suffocating inside my own skin.

(Pre-Chorus)

And I'm fighting the stranger in my eyes
And I know that only one of us will survive
If I can't save us I got to save myself.

(Chorus)

I can't stay here in this place,
Slowly freaking out, I'm slowly freaking out.
I can't be
You're addictive.
I'm slowly freaking out, I'm slowly freaking out
And out and out again.

(Verse)

Enigmatic, so close, static
This feeling I can't shake.
But just remember that I want you
My will can never break.

(Pre-Chorus)

And I'm fighting the stranger in my eyes
And I know that only one of us will survive
If I can't save us I got to save myself.

(Chorus)

I can't stay here in this place,
Slowly freaking out, I'm slowly freaking out.
I can't be
You're addictive.
I'm slowly freaking out, I'm slowly freaking out
And out and out again.

I can't stay here in this place,
Slowly freaking out, I'm slowly freaking out.

I can't be
You're addictive.
I'm slowly freaking out, I'm slowly freaking out
And out and out again.
