[Skylar Grey]

It's so loud Inside my head  
With words that I should have said!  
As I drown in my regrets  
I can't take back the words I never said  
I can't take back the words I never said

[Lupe Fiasco]

I really think the war on terror is a bunch of bullshit  
Just a poor excuse for you to use up all your bullets  
How much money does it take to really make a full clip  
9/11 building 7 did they really pull it  
Uhh, And a bunch of other cover ups  
Your child's future was the first to go with budget cuts  
If you think that hurts then, wait here comes the  
uppercut  
The school was garbage in the first place, that's on the  
up and up  
Keep you at the bottom but tease you with the  
uppercrust  
You get it then they move you so you never keeping up  
enough  
If you turn on TV all you see's a bunch of "what the f-  
cks"  
Dude is dating so and so blabbering bout such and  
such  
And that aint Jersey Shore, homie that's the news  
And these the same people that supposed to be telling  
us the truth  
Limbaugh is a racist, Glenn Beck is a racist  
Gaza strip was getting bombed, Obama didn't say shit  
That's why I aint vote for him, next one either  
I'm a part of the problem, my problem is I'm peaceful  
And I believe in the people.

[Skylar Grey]

It's so loud inside my head  
With words that I should have said!  
As I drown in my regrets  
I can't take back the words I never said  
I can't take back the words I never said

[Lupe Fiasco - Verse 2]

Now you can say it aint our fault if we never heard it  
But if we know better than we probably deserve it  
Jihad is not a holy war, wheres that in the worship?  
Murdering is not Islam!  
And you are not observant  
And you are not a muslim

Israel don't take my side cause look how far you've  
pushed them  
Walk with me into the ghetto, this where all the Kush  
went  
Complain about the liquor store but what you drinking  
liquor for?  
Complain about the gloom but when'd you pick a broom  
up?  
Just listening to Pac aint gone make it stop  
A rebel in your thoughts, aint gon make it halt  
If you don't become an actor you'll never be a factor  
Pills with million side effects  
Take em when the pains felt  
Wash them down with Diet soda!  
Killin off your brain cells  
Crooked banks around the World  
Would gladly give a loan today  
So if you ever miss payment  
They can take your home away!

[Skylar Grey]

It's so loud inside my head  
With words that I should have said!  
As I drown in my regrets  
I can't take back the words I never said, never said  
I can't take back the words I never said

[Lupe Fiasco - Verse 3]

I think that all the silence is worse than all the violence  
Fear is such a weak emotion thats why I despise it  
We scared of almost everything, afraid to even tell the  
truth  
So scared of what you think of me, I'm scared of even  
telling you  
Sometimes I'm like the only person I feel safe to tell it  
to  
I'm locked inside a cell in me, I know that there's a jail  
in you  
Consider this your bailing out, so take a breath, inhale  
a few  
My screams is finally getting free, my thoughts is  
finally yelling through

[Skylar Grey]  
It's so loud Inside my head  
With words that I should have said!  
As I drown in my regrets  
I can't take back the words I never said
