[Intro]

Oooooo ooh

Well I know that you're young  
And I know you're naive

But you know~ that you've got me  
Sugar under~ your sleep  
But the way~ that you did me  
But you're doing~ me~ still

I can't help but to wonder, is your love~ for me~ real  
Now, you've told~ me you love me, and you know~  
who I am  
And you said~ that you'd be with me, time~ and a  
again~

But the time~ wasn't right, and you want~ to have fun  
Sugar please do your~ thing, don't let me~ stop you~  
nun'

[Chorus]

Above~ the games~~ you played, they must meet an  
end  
Don't you know that I~ wont~ be around~, when your  
stop slippin' girl~

Whenever~ times~ gonna' come far death~ us apart

And where~will you be~  
Where will you be~~

Ooh oh oh Oooh oh oh Oooh oh oh Ohhh Ooh [x2]

[Part 2]

Now there's love~ on your lips, and there's locks~ in  
your hair~  
In your heart, in your rhyme  
Suga' you've~ got it fair, the great god~of the  
universe~

Would truly agree~, that there is no other sister  
That's is more worthy~of me~

[Chorus 2]

Above~ the games~~ you played, they must meet an  
end  
Don't you know that I~ wont~ be around~, when your  
stop slippin' girl~

Whenever~ times~ gonna' come, for me~ to give my~  
heart

And where~will you be~ darling  
Where will you be~~

Ooh oh oh Oooh Oooh ooh Oooh oh oh Ohhh Ooh [x2]

[Outro]

Singing where will you be~  
Nobody's gonna' love you~~ more~ than me~ baby

Oh~ be with me~
