I know that you've been cheating on me
And i ain't gonna play your game
You've done so many times before
And your excuses are all the same

But this time girl
I'm walking out of the door
Don't say that you love me
Cos' you wont see me anymore

Agony and ecstasy
The feeling right now
Is that i've got to be free
Felt too much pain baby can't you see
I'm sure you'll enjoy life without me

This time i'm through with your lies
I guess it's about time i made you realise
The pain and the hurt baby you caused me
Out of your life is where i'm gonna be

And when you're down waiting by the phone
Don't expect to hear from me
Cos' i ain't gonna call
Agony and ecstasy
The feeling right now
Is that i've got to be free
Felt too much pain baby can't you see
I'm sure you'll enjoy life without me

(Repeat)

And when you're down waiting by the phone
Don't expect to hear from me
Cos i ain't gonna call
Cos this this time girl
I'm walking out of the door
Don't say that you love me
Cos' you wont see me anymore
