Come softly, darling
Come to me, sta-ay
You're my obsession
For ever and a day

I want, want you to know
I love, I love you so
Please hold, hold me so tight
All through, all through the night..

Speak softly, darling
Hear what I say
I love you always
Always and always

I've waited, waited so long
For your kisses and your touch
Please come, come to me
From up, from up above

Speak softly, darling
Hear what I'm saying
I love you truly
truly, truly

I want, want you to know
I love, I love you so
I need, need you so much
I wanna feel your warm touch

Come softly, darling
Come to me, stay
You're my obsession
For ever and a day

Come softly, darling
Hear what I say
I love you always
Always and always

Come softly, darling
Come to me, stay (repeat)
