I promised I'd wait for you  
The midnight hour  
I know you'll shine on through  
I promised myself  
I promised the world to you  
I gave you flowers  
You made my dreams come true  
How many of us out there  
Feel the need to run and look for shelter  
I promised myself  
That I'd say a prayer for you  
A brand new tomorrow  
Where all you wish comes true  
I promised myself  
That I'd make it up to you  
My sister and brother  
Know I'm in love with you  
How many of us out there  
Feel the pain of losing what was once there  
God I know what people say about her  
No mistake, who can live without love  
I promise myself  
How many of us out there  
Feel the pain, of losing what was once there  
God I know what people say about her  
No mistake, who can live without love  
I promised myself  
I promised I'd wait for you  
The midnight hour  
I know you'll shine on through  
I promised myself  
I promised the world to you  
I gave you flowers  
You made my dreams come true  
In the midnight hour I will wait for you  
I will wait for you, I will wait for you
