Looking good diving for your love

There's things i'd like to say  
Change from day to day  
To win your love this way  
So much love to give  
So little time to live  
I'm strong your sensitive

Looking good diving  
Looking good diving  
Looking good diving  
For your love  
Your love

Your the only one  
When all is said and done  
I'm the lonely one  
So much love to give  
So little time to live  
I'm strong your sensitive  
Looking good diving  
Looking good diving  
Looking good diving  
For your love  
Your love

Don't go away  
Please stay  
That's what i meant to say  
Don't go away

But in the end  
We can still be friends  
Your the only one  
You must be sweet  
And i'll be strong  
The lonely one  
Looking good diving  
Looking good diving

Looking good diving  
Looking good diving  
Looking good diving  
Looking good diving  
Looking good diving  
For your love
