When it's shared by two  
instead of the lonely one

When you said you love me  
We could not be parted  
Said I build my world around you  
I'm so thankful that I found you

Because loving you has made my life sweeter than  
ever  
I've never felt like this before  
Loving you has made my life so more sweeter than  
ever

Each night I said we'd never part  
For all the love within my heart grows stronger  
From day to day

As best I can, and how I try  
To reassure you and satisfy  
'Cause I'd be lost if you went away

'Cause I really need you  
And I need for you to need me too  
I built my world around you  
I'm so thankful that I've found you

Because loving you has made my life sweeter than  
ever  
Loving you has made my life so more sweeter than  
ever

'Cause I really love you  
And I'm thankful that you love me too  
I have built my world around you  
I am truly glad, I found you

Because loving you has made my life sweeter than  
ever  
Loving you has made my life so more sweeter than  
ever  
I never felt like this before

Loving you has made my life so more sweeter than  
ever
