Written by Kamen / Andersen / Guirey

We were born on a hazy day
The sky was blue
The grass was great
It was meant to be
Love was here and love was strong
And we knew nothing could go wrong
Will you marry me?
In, In a house
Where love is strong
That's the place for me
So it goes
Our love grows
And on and on and on she flows
Eternally
We were young
And we were fine
Another place another time
Sweet memories
In a house
Where love is strong
That's the place for me
In, In a house
Where love has gone
Surely can't you see
I have found out
Nothing rhymes now
Why stop believing
I have found out
Nothing rhymes now
Why stop believing?
Heaven knows
Where love goes
But when she's gone she's gone you know
It's a mystery
Well I'm alive and I can see
All that lies in front of me
You know it ain't easy
In a house
Where love is strong
That's the place for me

In a house where love has gone
Surely can't you see
I have found out
Nothing rhymes now
Why stop believing?
I have found out
Nothing rhymes now
Why stop believing?
