Teacher can you tell me  
Where did i go wrong  
There's still so much to learn from you  
It's hard to carry on

I wasted days, lonely days  
Feeling sorry for myself  
I've got to find peace of mind  
It's you and no one else

Take back my hand child  
I know who i am  
Make up the time now  
We both understand  
I have learnt my lesson well  
Now i long for you to tell  
So take back my hand child

Teacher can you help me  
Now that i am stronger  
I only seem to turn to you  
When things are going wrong

I'm trying hard to overcome  
The fears i feel inside  
I can't deny those lonely nights  
The tears i hold inside

Take back my hand child  
I know who i am  
Make up the time now  
We both understand  
I have learnt my lesson well  
Now i long for you to tell  
So take back my hand child

Easy now, you know how i'm feeling

Chorus out
