Watch my life pass me by in a rearview mirror  
Pictures frozen in time are becoming clearer  
I don't wanna waste another day  
Stuck in the shadow of my mistakes  
Yeaaahhh

Cause I want you and I feel you crawling underneath  
my skin  
Like a hunger like a burning  
To find the place I've never been  
Now I'm broken and I'm faded  
I'm half the man I thought I would be  
But you can have what's left of me

I've been dying inside  
Little by little  
Nowhere to go going out of my mind  
And in endless circle  
Running from myself until  
You gave me a reason for standing still

I want you and I feel you  
Crawling underneath my skin  
Like a hunger like a burning  
To find the place I've never been  
Now I'm broken and I'm faded  
I'm half the man I thought I would be  
But you can have what's left of me

Falling faster  
Barely breathing  
Give me something to believe in  
Tell me it's not all in my head

Take what's left of this man  
Make me whole once again

Cause I want you and I feel you  
Crawling underneath my skin  
Like a hunger, like a burning to find a place I've never  
been

Now I'm broken and I'm faded,  
I'm half the man I thought I would be  
You can have all that's left  
What's left of me

I'm been dying inside you see  
I'm going outa my mind, outa my mind  
I'm just wandering in circles all the time  
Will you take what's left  
Will you take what's left  
Will you take what's left of me  
Just running in circles in my mind  
Will you take what's left  
Will you take what's left  
Will you take what's left of me  
Take what's left of me
