Hold me down and hold me close tonight
Feel you warm, I feel you by my side

Oh, my love
Oh, my love
Oh, my love

Hold me down and give me all your power
Hold me close in every single hour

Oh, my love
Oh, my love
Oh, my love

Oh, my love
Oh, my love
Oh, my love

Hold me down and give me all your power
Hold me close in every single hour

Oh, my love
Oh, my love
Oh, my love

Oh, my love
Oh, my love
Oh, my love
