I play WOW
Can't nobody fuck with me now
I wanna stop but I don't know how
It's my crowd
And I'm proud, fuck you, I'm down
Shut your mouth

I play WOW

School's out, work's over take your ass to coffee bean
I gotta get to Azeroth, you fuckers ain't stopping me
My shit's legit, look me up in the Armory
We're in war, motherfucker, there's no peace or
harmony

No-one seems to get it, but that's all right
My girl keeps bitchin', complaining and starting fights
She wants to cuddle, watch movies in the candle light
But wednesdays through fridays are strictly raid nights

When I'm down or depressed, I go connect
My real friends are online, fighting to the death
Mom's banging on my door: "Come eat your chicken in
peas"
I got last night's pizza, bitch, that's all I need

I call it straight dedication, you can call me crazy
You talking shit, man, why don't you come and play me
I'm going twenty-two hours, fuck you, I'm lazy
I'm pwning noobs at PVP and my level's past eighty

I play WOW
Can't nobody fuck with me now
I wanna stop but I don't know how
It's my crowd
And I'm proud, fuck you, I'm down
Shut your mouth

I play WOW
I play WOW
I play WOW
Turn it up, say it loud

I play WOW
I play WOW
I play WOW
Turn it up, say it loud
I play WOW

You could say I'm a fanatic, or even addicted
Say my habits are bad, my fucking life's conflicted
But if it makes me happy, why should I quit this
The world brings me down, WOW makes me uplifted

Every moment with my guild is a moment I cherish
Call me a nerd, call me a geek, I am no longer
embarrassed
Say I'm socially fucked, never had kids or a marriage
I don't live my life for money, fame or chasing your
carrots

And while people like to hate, discriminate and be
mean
In my world, we work together to defeat the Lich King
Doesn't matter if you're black, white, ugly or fat

Everyone be kicking ass in the World of WarCraft

Real life can be bullshit and put me down
Telling me I ain't shit and I'm on shaky ground
But I don't hear that anymore, I got my own damn
crowd
Middle finger to you all, 'cause I play WOW

I play WOW
Can't nobody fuck with me now
I'm on a quest with my guild, get you wow
It's my crowd
And I'm proud, fuck you, I'm down
Shut your mouth

I play WOW
I play WOW
I play WOW
Turn it up, say it loud
I play WOW
I play WOW
I play WOW
Turn it up, say it loud
I play WOW

I'm down with the Horde, I'm a blood elf paladin
Alliance fucking with me, the humans are challenging
When you can't understand me, this is what I do

Tell you get off of my dick, go learn your class, noob

Better yet, go play Rock Band with that sad guitar
And no I don't wanna date your fucking avatar
I'm getting busy clocking kills in every single way
My guild's legit, holy shit, this ain't Felicia Day

And who thought there'd come a time the world would
see
Millions of fucked up people who feel just like me
I'm living like a god in Silvermoon City
Rocking the Ashbringer while your life is shitty

I play WOW
Can't nobody fuck with me now
I wanna stop but I don't know how
It's my crowd
And I'm proud, fuck you, I'm down
Shut your mouth

I play WOW
I play WOW
I play WOW
Turn it up, say it loud
I play WOW
I play WOW
I play WOW
Turn it up, say it loud
I play WOW
