Here comes a new challenger
I'm grabbin' my stick
Another damn NOOB bout to get his butt KICKED
CALL ME THE DOCTOR CUZ my combos so SICK
The buttons I click, always a hit, they quit.

I'm on a whole other level when you play me.
Your Cheap JUMP KICK THROW aint gonna fade me...

I'm the best, dont try to test, you know the rest,
I'm the illest...in EVERY contest..

I can play any style so that aint nothin,
You still suck with that custom combo button

And all my strat-a-gies, I execute with ease, you all just
need to please,
bring me the ladies ,
and maybe its chun-li
or cammy on her knees..
with C.Viper serving Tea, to RYU and to me, but see,
my focus is so strong I'm locked in a trance and you
must defeat Sheng Long to ever stand a chance...

Cuz I'm a,

STREETFIGHTA
BIG THYMA

NEVER GUNNA LET SOMEONE TAKE ME NOW
STREETFIGHTA
ROUGH RIDA

MESS WITH ME I BREAK YOU DOWN

STREETFIGHTA
ALL NIGHTA

MY HEART AND SOUL WILL LAST FOREVER

STREETFIGHTA
I'M HIGHA

YOU SAY QUIT AND I SAY NEVER

I'm like neo in the matrix, I can do every trick
I scratch wins on the side of my custom joystick

I'm a pimp on the scene giving you FACE slaps
I do -one frame links -with no plinks or doubletaps

I - F A D C to U L T R A
on X B L I V E to maintain my SGA

Rating... is never FADING although you're HATING and
perpetrating,
excuses and verbally masturbating...

I can jump in the screen and piledrive Zangeif
Handcuff GUILF, break blanka's TEETH

BEAT Vega ugly - put E-HONDA on a DIET
AKUMA wants to FLEX but he's too scared to TRY IT

Then there's ABEL, SAGAT, BISON AND SETH
fighting like TURTLES, CAUSE THEY FEAR DEATH.

I'm quicker than EL FUERTE
and more SLICK THAN HAKAN
I'm the REAL BRUCE LEE --
YOU JUST A FEI LONG

HOW MANY TIMES MUST I BEAT YOU?
HOW MANY TIMES MUST I DEFEAT YOU?
YOU JUST GOT ROCKED AND YOU DONT UNDERSTAND
YOU NEED TO GO HOME AND BE A FAMILY MAN

Cuz I'm a...

STREETFIGHTA
BIG THYMA
NEVER GUNNA LET SOMEONE TAKE ME NOW

I'm a
STREETFIGHTA
ROUGH RIDA
MESS WITH ME I BREAK YOU DOWN

I'm a
STREETFIGHTA
ALL NIGHTA
MY HEART AND SOUL WILL LAST FOREVER

I'm a
STREETFIGHTA
I'M HIGHA
YOU SAY QUIT AND I SAY NEVER

I'm a predatory animal moving through NIGHT
KILLIN World Warriors who live for the fight

My VIBE is EPIC, my moves are TIGHT
I'll beat you with my LEFT and never use my RIGHT

I'M BANNED AT EVO , MY SKILLZ TOO LONG
I GIVE BEAT-DOWNS LIKE Justin Wong

AND I KILL NOOBS JUST LIKE A PSYCHO
NO COMEBACKS - I PWN LIKE DAIGO.
