I can be your lady in the streets  
A freak up in the sheets  
I can rock the pony just the way I rock this beat  
The one that you take home and you let your mama me  
Yeah that could be me, yeah that could be me  
Trust me with your call, won't let nobody know  
Clean money dirty money anyway you go  
I can be your girl and your wife of your  
Anything you want boy anything you want

Pre Chorus:

If you my man oh boy I came to you  
You treat me good ain't nothing I wouldn't do  
What would you do to give it, keep it up and I'm stay, I  
wanna stay  
If you fall out on every.on your way

Chorus:

Uh, I can be dat, I can be dat  
Better shook and no best believe dat, best believe dat  
Oh because I can be dat, I can be dat  
Is you and me together baby we dat, we dat

You can be my G stay back to me  
Yeah I'm independent but a girl's got knees  
You could be my sweezy, you could be my Jay Z  
That's what you could be, yeah boy that's what you  
could be  
I could be your queen, you could be my king  
All you gotta do is go ahead and get the ring  
If you really wanna be with me aha  
That's what you gotta do to get me aha

Pre Chorus:

If you my man oh boy I came to you  
You treat me good ain't nothing I wouldn't do  
What would you do to give it, keep it up and I'm stay, I  
wanna stay  
If you fall out on every.on your way

Chorus:

Uh, I can be dat, I can be dat  
Better shook and no best believe dat, best believe dat  
Oh because I can be dat, I can be dat

So you can be my ex-friend  
Move walk in the ass, you can be a Michael Jackson
