I am ready to break out... chance pal
Where you are I am ready for lock down
Breathing surround sound raise and shine
So cut me lose... my true
I call the true inside me
I am a fugitive within cause I have been on the run too
long
I am ready when you are
I am ready when you are
Push me outside push on me
I am ready when you are
I am feeling your heart charged
Don't stop the fight

I am feeling lucky
Won't let you have me
Make your move
You had just thinking about it
You had me without it
... want you
So cut me lose... my true
I call the true inside me
I am a fugitive within cause I have been on the run too
long
I am ready when you are
I am ready when you are
Push me outside push on me
I am ready when you are
I am feeling your heart charged
Don't stop the fight
Release me
Release me
Release me
My body is like a cage
Release me
Release me
Release me
Release me
Show me my escape
Release me
I need you to show me my escape

I am ready when you are
I am ready when you are
Push me outside push on me
I am ready when you are
I am feeling your heart charged
Don't stop the fight
... my body is like a cage
Release me
I need you to show me my escape
Release me
