Is there something wrong with me?  
'Cause I just keep falling for  
The same old bullsh\*t, the same old bullsh\*t, the same  
old bullsh\*t  
Let me talk to you,  
A different man in a different city  
I don't understand how they get me with  
The same old lies, it works every time,  
And it's been on my mind how come I

I just can't believe that I'm here again  
Is there no such thing as a better man?  
If not, then I don't wanna spend the rest of my life

Dealing with the same old bullsh\*t, I'm so through  
Dealing with the same old bullsh\*t,  
The same old bullsh\*t, same old bullsh\*t  
(Same old, same old, yeah, yeah!)  
Ladies, if you hear what I'm trying to tell you  
Can I get a hell yeah! (Hell yeah!)  
Dealing with the same old bullsh\*t,  
The same old bullsh\*t, same old bullsh\*t

You see, you're so predictable  
Before you do it, I already know I'm looking at  
The same old picture, a different frame  
And I don't wanna see it again  
Listen to me  
All that not coming home 'till tomorrow  
Is hard on mine and none is sorrow  
There's nothing you can do that ain't been done before  
And I ain't going through it no more!

And I just can't believe that I'm here again  
Is there no such thing as a faithful man?  
If not, then I don't wanna spend the rest of my life

Dealing with the same old bullsh\*t, I'm so through  
Dealing with the same old bullsh\*t,  
The same old bullsh\*t, same old bullsh\*t  
(Same old, same old, yeah, yeah!)

Ladies, if you hear what I'm trying to tell you  
Can I get a hell yeah! (Hell yeah!)  
Dealing with the same old bullsh\*t,  
The same old bullsh\*t, same old bullsh\*t

What else can I do?  
Tired of playing a fool  
What a little bit of love could do for a woman,  
A damn good woman  
And even from a mile way, I see him coming on  
There's nothing I don't recognize  
Sometimes I just close my eyes  
And hope for the best, but end up with regret  
That's how I know I'm

Dealing with the same old bullsh\*t, I'm so through  
Dealing with the same old bullsh\*t,  
The same old bullsh\*t, same old bullsh\*t  
(Same old, same old, yeah!)  
Ladies, if you hear what I'm trying to tell you  
Can I get a hell yeah! (Hell yeah!)  
Same old bullsh\*t, same old bullsh\*t, same old bullsh\*t

If you're done with the same old bullsh\*t yeah  
Said if you're done with the same old bullsh\*t yeah  
Tell him he gotta go, gotta go  
Same old bullsh\*t, same old bullsh\*t, same old bullsh\*t  
Sick and tired of being sick and tired  
Of being sick and tired of  
Dealing with the same old bullsh\*t  
The same old bullsh\*t, same old bullsh\*t  
Yeah, yeah
